EXPERIENCE

Tutor for Fundamentals of Computer Science 2,
Northeastern University CCIS
Boston, MA | May 2018 - Present
Held office hours, graded homework, and aided labs.
Language used: Java

Operations & Administrative Intern, Presence PG
San Francisco, CA | Jul 2015 - Aug 2015
Edited & completed Employee Handbook for the Operations
(Human Resources) group, researched & created Earthquake Safety &
Preparedness Guide for the SF office, and identified a list of industry
events for the Marketing Team to attend & promote the firm.

VOLUNTEER WORK

Peer Mentor, You're With Us!
Boston, MA | Jan 2017 - Apr 2017, Jan 2018 - Apr 2018
This past Spring was spent working with a 21 year-old autistic mentee,
twice a week, on developing customer service skills at the university's
bookstore as preparation for a future paid retail job they looked to
obtain.

EDUCATION
